Our WW-II R-75 replicas customized from PLA Chang Jiang 750 sidecars and are the most detailed Chang Jiang 750 restorations available in China. Look closely at the detailed modifications in our WWII photo gallery and you will see that our restoration goes way beyond some metal boxes and a paint job. ZMW customization jobs are done to the highest possible amount of detail to very accurately reproduce the original BMW R-75 look. We use the highest quality parts and also warranty all of our restorations.

All of our WWII replicas for export are rebuilt from PLA inventory. Check out our WWII photo gallery for detailed pictures of our Chang Jiang 750 sidecar restorations and also our accessories page for close up photos of the restoration details. Compare our prices and do your research.
